

# NAVIGATING SAM

## Finding Your Way

### What is SAM?

SAM stands for Student Achievement Manager. It is the Learning Management System (LMS) that we use here, at Holland College, for online course delivery of all face-to-face, blended, and distance courses.

### How Do I Get There from Here?

The first step to checking out your courses on SAM is finding them. Confirm your Holland College account has been set up before you try to access your courses. Access is usually available the following day.

### Two Pathways to SAM

You have two ways to access your courses in SAM.

1. Access <https://hollandcollege.com>  
Click **LOG IN** located in the upper right corner of the web page. Click **SAM**.

OR

2. Access <https://sam.hollandcollege.com> directly with preferred use of a Chrome browser for best experience.
