Students return: January 6th, 2021

Spring Break:

February 22 – 26, 2021

Last day of classes:

April 23, 2021

Welcome to Holland College!

OAS will provide you with the opportunity to complete some post-secondary credits while considering options for further education and career pathways. You are encouraged to actively engage in college life and activities and make new connections with students from the wide variety of programs which Holland College offers.

You now have access to SAM – Holland College's Student Achievement Manager. Accessing SAM regularly and using the resources it contains is vital to your success in distance and blended courses. You will see the OAS link under your courses in SAM now and will have access to your courses once you have registered for them. **Please log into SAM and invest some time** to read the OAS page as well as important links listed to left on the SAM home page such as Holland College Orientation, SAM Orientation, Counseling Services, and Retention, Part-Time Study & Career Services.

Please do not register for courses until we have discussed options! I can be reached by email at any time and am happy to provide any assistance I can. On-line registration will open at the end of July.
