

PHOTOGRAPHY & VIDEOGRAPHY

Welcome!

Congratulations on being accepted into the Photography & Videography Program at Holland College. I am looking forward to working with you this coming fall. We have a great year lined up! I am especially pleased that all classes will return to face-to-face delivery this September. If at this point in time you do not feel certain that you are fully prepared for the start of classes in September, do not hesitate to contact me for guidance and further information.

<u>Instructor Contact Information:</u>	Jean-Sébastien Duchesne 902-566-9551 jduchesne@hollandcollege.com

<u>End of 2nd Semester:</u>	Last day of classes, 2 nd semester: April 22 nd , 2022

Lab Fee:

The Photography & Videography Program collects a lab fee to provide incoming students with the supplies they require to complete assigned projects, skills and many self-directed endeavors. This fee is an estimate of what the average student consumes during the school year. It will be collected by the Admissions Department along with tuition. You can claim this fee on your income tax return. A full breakdown of all tuition and fees is available at <https://www.hollandcollege.com/programs/photography-and-videography.html#program2>

Additional Materials and Supplies:

A small amount of supplies will still be required beyond what the lab fee provides. These items should be acquired prior to the start of classes in September. Please refer to the list below for more information and do not hesitate to contact the program instructor directly if you have any questions. All items are commonly available at your local hardware and office supply stores.

- **Notebook**
- **Pens and pencils** (a selection of each, good quality)
- **Waterproof markers** (Sharpies), **black and red** (one each, fine point)
- **Large utility “box cutter” type knife with “snap-off” retractable blades**
- **Wide masking tape** (1 roll)
- **Wide duct tape** (1 roll)
- **Combination Lock(s)** (1 or 2 as required)
- **Portable hard drive** (2-4 TB)

Note: Hard drive can be one you already own but if so, **it must be empty and may need to be formatted for use with Macintosh operating systems** (or both Mac and PC).

Portfolio Case:

You will require a portfolio case before the end of the first semester, but please do not make this purchase prior to starting the program as the instructor will discuss various options with you once classes have begun. For now, please set aside approximately \$200 for this purchase.

Required Textbooks:

• **Photography** by Barbara London, Jim Stone, John Upton – 12th edition
Publication Date: June 23, 2016 | ISBN-10: 0-13-448202-6 | ISBN-13: 978-0-13-448202-6 | Edition: 12

• **Adobe Photoshop CC Classroom in a Book (2021 Release)** – Paperback
Publication Date: December 21, 2020 | ISBN-10: 0136904734 | ISBN-13: 978-0136904731 | Edition: 1

Note: It may also be possible to work from the 2022 release of the Photoshop CIAB book but as I am writing this, I am unsure if it will be available in time. The 2020 edition will not be acceptable.

These books will be available in Samuel’s Campus Store by early August. They are also readily available on web sites such as Amazon.ca or Chapters.indigo.ca or can be ordered through your local bookstore. Please be careful if you buy a secondhand book. Only the editions specified above will be accepted.

Students Coming from Outside the Province/Country

In the instance that traveling between some provinces or countries is still restricted this fall and travelers have to self-isolate when arriving in Prince Edward Island, it may be necessary to deliver course content exclusively online for the first two weeks of classes (September 1-10th). Any students affected by travel restrictions will be sent detailed information and instructions by the College’s First Year Advising team. Please be sure to read through all college communication carefully as the summer progresses. For any additional questions or concerns, email Laura MacEwen directly, your First Year Advisor, at limacewen@hollandcollege.com.

Camera Requirements:

You are required to enter the program with a DSLR or mirrorless camera system. In addition to the “normal zoom” lens that usually comes with these cameras, a “telephoto zoom” lens is also recommended (e.g., 55-200mm, 70-200mm). Approval is required from the program instructor in order to deviate from the recommendations listed below.

Even though the market now includes several new brands, especially in the mirrorless category, Canon is still an ideal option as we currently stock a wide range of lenses, flashes and other accessories compatible with this system. For more information, please refer to the [Camera Requirements](#) page on the Holland College website. The following is a list of **Canon** cameras that qualify, along with some recommended lenses:

Note: Prices listed below are based on current retail trends; **better “sale” prices are often available.** It is always prudent to inquire with multiple retailers before making a final decision.

- Canon EOS Rebel T8i (24MP) w/18-55mm IS STM \$1200 *
- Canon EOS 90D (32MP) w/18-135mm IS USM \$2000 *
- Canon EOS 6D Mark II (26MP) w/24-105mm f/4L IS II USM \$2900 **
- Canon EOS 5D Mark IV (30MP) w/24-105mm f/4L IS II USM \$4500 **
- Canon EOS RP Mirrorless (26MP) w/24-105 f/4-7.1 IS STM \$1600 **
- Canon EOS R Mirrorless (30MP) w/24-105 f/4L IS USM \$3600 **
- Canon EOS R6 Mirrorless (20MP) w/24-105 f/4L IS USM \$4400 **
- Canon EOS R5 Mirrorless (45MP) w/24-105 f/4L IS USM \$6500 **

* *This camera features a cropped sensor*

** *This camera features a full frame sensor*

Important Note: Canon Rebel SL2 or SL3 will not be acceptable.

Contact Us Via Email

If at any time you have questions about confirmation, registration or campus resources, please email Laura MacEwen directly, your First Year Advisor, at limacewen@hollandcollege.com. For questions regarding the P&V program, orientation, camera equipment, or any other matter, do not hesitate to contact me directly using the email or telephone number listed below my signature. I will be taking some vacation over the summer, but I monitor all my communications closely and will be happy to help and answer all of your questions to the best of my ability.

Thank you and I look forward to seeing you in September,

Jean-Sébastien Duchesne (JS)
Photography & Videography Instructor
